### EXTERNAL ASAs (Paid)

External after-school activities are **offered on SISD campus** by **external providers**, whose fees vary for each ASA.

On a general note when registering with an external ASA provider, parents are entering into a direct agreement with the provider and not SISD. We therefore expect any issues to be resolved directly between the parents and the provider. However, SISD do appreciate and welcome feedback on what is happening so that we can ensure all matters are dealt with promptly and that our providers are providing good and quality service to our students/families.

Students can participate in as many **EXTERNAL ASAs** as they wish.

Registration is done directly with **each provider** by phone and by e-mail at any time or during the Expos **where the providers will be present on SISD campus**.

Registration is on a first come, first served basis and places are reserved by the external providers only once they have received full payment.
