

SECONDARY YEARS ASAs Schedule, Descriptions & details

INTERNAL ASAs (Free, 2 max per student per week)

Internal after-school activities are delivered by SISD teachers and are **free of charge** (in some cases, a small fee might be charged for equipment).

Each student is permitted to participate in **2 INTERNAL ASAs per week (including teams)**.

Early Years: Sunday, Tuesday, and Wednesday (teachers meet on Monday, Thursday)

Primary Years: Sunday, Tuesday, and Wednesday (teachers meet on Monday, Thursday)

Middle Years: Sunday, Wednesday, and Thursday (teachers meet on Monday, Tuesday)

For any questions you may have about the actual ASA, please send an email to the teachers offering the ASA.

Registration is done on the system - first come, first served basis, with priority. This means that the software will actually take into account all registrations to allocate Internal ASAs according to all requests, available places and priorities parents have chosen. This is meant to be fair to everyone.

EXTERNAL ASAs (Paid)

External after-school activities are **offered on SISD campus** by **external providers**, whose fees vary for each ASA.

On a general note when registering with an external ASA provider, parents are entering into a direct agreement with the provider and not SISD. We therefore expect any issues to be resolved directly between the parents and the provider. However, SISD do appreciate and welcome feedback on what is happening so that we can ensure all matters are dealt with promptly and that our providers are providing good and quality service to our students/families.

Students can participate in as many **EXTERNAL ASAs** as they wish.

Registration is done directly with **each provider** by phone and by e-mail at any time or during the Expos **where the providers will be present on SISD campus**.

Registration is on a first come, first served basis and places are reserved by the external providers only once they have received full payment.

Our UK certified climbing coach will ensure your child learns how to climb safely. Climbing is an all-around form of exercise which uses every muscle in the body, and many, many parts of the brain! If you have been worried that your child spends a little too much time with eyes glued to a screen, climbing is a great solution to help them. When they face a climbing wall, all outside influences wash away and leave their head clear and ready for the task at hand. Climbing a wall requires focus and concentration. Children learn very fast that they must pay attention if they want to progress. Climbing is so much fun that children do not even realize that it is exercise! With time, the sport builds body confidence, self-awareness in addition to physical strength.</p> <p>**Please keep in mind that outdoor activities will be held outdoors for the whole season and some sessions might happen during hot days.
