SUMMER  
CAMPS

50 brilliant ways to keep your kids entertained

Swiss International  
Scientific School in  
Dubai (SISD)

# 15 ways to make the most of summer camp

Brain drain? No chance. We're helping kids breeze through the holidays while having fun and learning, too

**1** "Summer camps involving language, programming, robotics, 3D printing, sports and arts are all invaluable opportunities for children to support lessons learned in the classroom," says Benjamin Cassaigne, head of after-school activities at Swiss International Scientific School in Dubai (SISD). "It offers students the chance to apply academic skills in a real context. → Al Jaddaf, Dubai, sisd.ae (04 375 0600).

**2** Facilitating a healthy mix of learning during summer will help kids develop teamwork, creativity and lateral thinking, which can translate to better results in the classroom in the next school year.
