

Dear Parents,

The SISD Facilities Team is happy to welcome you to the new Academic Year 2021/22.

As a part of our security processes, all parents and students at SISD are required to have an official SISD photo identification card.

This will allow you to gain access to the school without having to sign in on every visit, the school parking, for your student pick-up.

Way to obtain ID:

Submit a photo online of you and your children to have the ID ready for pick-up before the first day of school.

You will receive a notification from our security once your ID is ready for collection. Please note it takes minimum 3 days for the ID to be printed and ready for collection after receiving the Student/Parent information.

Due Date & Pick-up

Once your SISD ID is printed you must come in person to the Campus Security Office to pick it up. You must present a government issued photo ID in order for the Campus Security Office to provide you with your SISD ID.

All parents who do not have official SISD Parent ID on the first day of school will be required to go directly to the security desk to secure a visitor's pass.

To avoid any inconvenience and hassle free drop off on the first day, please make sure you have your parent ID with you on the first day of school.

Best Regards
