

Internal ASA Descriptions – Early Years

Activity	Description
<p>PreKG Internal</p>	<p>All Early Years students will have the opportunity to take part and explore various activities which could include art, music & movement, drama etc. The activities will be done in the classroom with the English/French/German Classroom Teachers and Teaching Assistants. Students will interact with their peers while having fun and sharing time together. Activities will be rotated so that the students can learn a variety of skills and languages. The Teachers will add a note in the weekly newsletter to inform parents which activity will be focus for the following week.</p>
