I have had the pleasure of working in both the Primary setting and the Secondary setting at SISD and feel privileged to get to do the work I do for such an outstanding organization. Getting to work alongside passionate staff and to engage with such motivated students, while being surrounded by some of the best facilities on offer, I honestly feel that SISD is one of the best schools in the world to work at.

- Mark Swaine, Grade 6 Learning Coordinator and Transition Leader & Wellness Committee Chairperson

I have had the pleasure of experiencing first hand, the development of the French/ English bilingual stream at SISD, which has grown and developed and is now fully imbedded into the students daily lives. Students naturally speak both French and English in our classroom and it has been a joy to see students progress in multiple languages. I have worked at SISD for 5

“

I think SISD has a vibrant faculty, where talented professionals collaborate to provide excellent results for our students. With outstanding facilities and infrastructure, the environment is an inspiring workplace with a warm community of staff, parents, and students alike.
