Monday

TECHNICAL DRAWING/DRAFTING

Students will be doing 2-point perspective drawings. They will start by understanding the starting point and the vanishing point. From there they will go onto drawing basic cubes to understand the concepts of creating drawings in two point perspective and the importance of how they draw their lines. By the end of the ASA the students would have created a detailed drawing of a house of their design.

SUPERVISED GERMAN/ENGLISH HOMEWORK

Students will be able to use this time to complete their German/English homework in a quiet supervised space

G2- G5

3:45pm - 4:45pm

QUILLING CLUB

Quilling is the art of rolled shaped and glued paper strips that results in creating a unified, decorative 3D design. The name «Quilling» is thought to come from the origin of the art: birds' feathers, or quills which were used to coil the strips of paper around to create the coils. Quilling designs can be used to decorate greeting cards, pictures, boxes, mobiles etc. An example of what could be made.

G4- G5

3:45pm - 4:45pm

Thursday

SUPERVISED FRENCH/ENGLISH HOMEWORK

Students will be able to use this time to complete their French/English homework in a quiet supervised space

G2- G5

3:45pm - 4:45pm

FRENCH CREATIVE WRITING

Learn to use your words and vocabulary in a creative way. This ASA will help students recognize rhyming words, use free flow writing to create a story/set a scene, using imagery and symbolism to express a feeling, make connections between their favorite song and poetry, etc.

G1

3:45pm - 4:45pm

FRENCH READING CLUB

Reading for pleasure is more important to children's successes than education or social class. How do we instill a love of reading in our children? By sharing quality books, and introducing the talented individuals who write and illustrate them. In this ASA, children will devour books, participate in activities and discussions, express their viewpoints, be creative, thoughtful and engaged. Our goal is to help children build a lifelong reading habit. The SISD children's reading groups are a fun way to read and discuss stories, while promoting active literacy and an overall love for books!

G1

3:45pm - 4:45pm

MOVEMENT & MUSIC

This activity will explore movement and artistic expression, without the requirement of extensive training. From turning and jumping to carefully controlling the movement of hands and fingers, dance engages all aspects of a child's physical development. This activity is in place to awaken the inner creativity in all children, allowing them to hear a piece of music and decide how their body can best respond to it.

G1

3:45pm - 4:45pm
